### Life Skills :

Life skills are those that are necessary or useful to

manage one's daily life. These can be either acquired through learning or through real-life experiences. These include mental

abilities like resilience, problem-solving, and decision-making skills and collaboration.

### Humanities :

All living beings are created by the Universe. All living beings deserve kindness, no matter what they look like. It's our duty and privilege to give them respect, care, and kindness. We should introduce our children to animals in their foundation

years of life so they learn to care about animals. Kindness also develops empathy in our children.

### E- Learning :

Children learn best by observing and we make their learning process more effective and conceptual by following audio visual techniques. Majority of classrooms are currently equipped with Interactive Boards.

### Olympiad :

The aim of a good Olympiad exam is to provide a unique competitive platform and identify the younger geniuses and create a talent pool for the future. Trying for and giving olympiads motivates students to strive for better. We give such a platform by conducting various Olympiad exams throughout the year.

### Inter school competition :

Competitions play a role in motivating students to perform and excel. Competitions offer a chance for participants to gain substantial experience. Also encourage students to adopt innovative techniques and develop their ideas and skills. S.C.J. TAPOVAN JAIN SCHOOL motivate student to participate in various inter school competitions like khel mahakumbh, drawing

### Field Trip :

We encourage practical learning. For this it's important to give students hands-on experience which helps them

to gain a better understanding of topics, build cultural understanding and tolerance and expose them to world by own. We arrange educational & Dharmik Field Trip every year.

### Sports week :

Sports enhance the personality of individuals by imparting various traits in them. Sports boost alertness, discipline, team spirit, mental ability, CONFIDENCE AND CONCENTRATION IN student. To promote a sports culture amongst the students S.C.J. Tapovan Jain school organize sports week every year.

### Personal Student Counselling :

We provide proper guidance to the students. for Individual problems of the students. Personal Counselling and attention is given by teachers.
